bringing everyday luxury into your home

5^{step} design process

Koru Furniture & Homewares provides a personal design and styling service that will help you transform your home or business into your dream space. We imagine, source, style, install and collaborate from concept to completion with residential and commercial clients who wish to create individual, warm and inspiring spaces. From a quick refresh to a complete make over, our services are tailored to suit your individual needs and we can take you through the whole design process from mood boards to floor plans and furniture selections right through to adding those special finishing touches.
