DESIGN IDEAS & INSPIRATION FOR YOUR DREAM KITCHEN

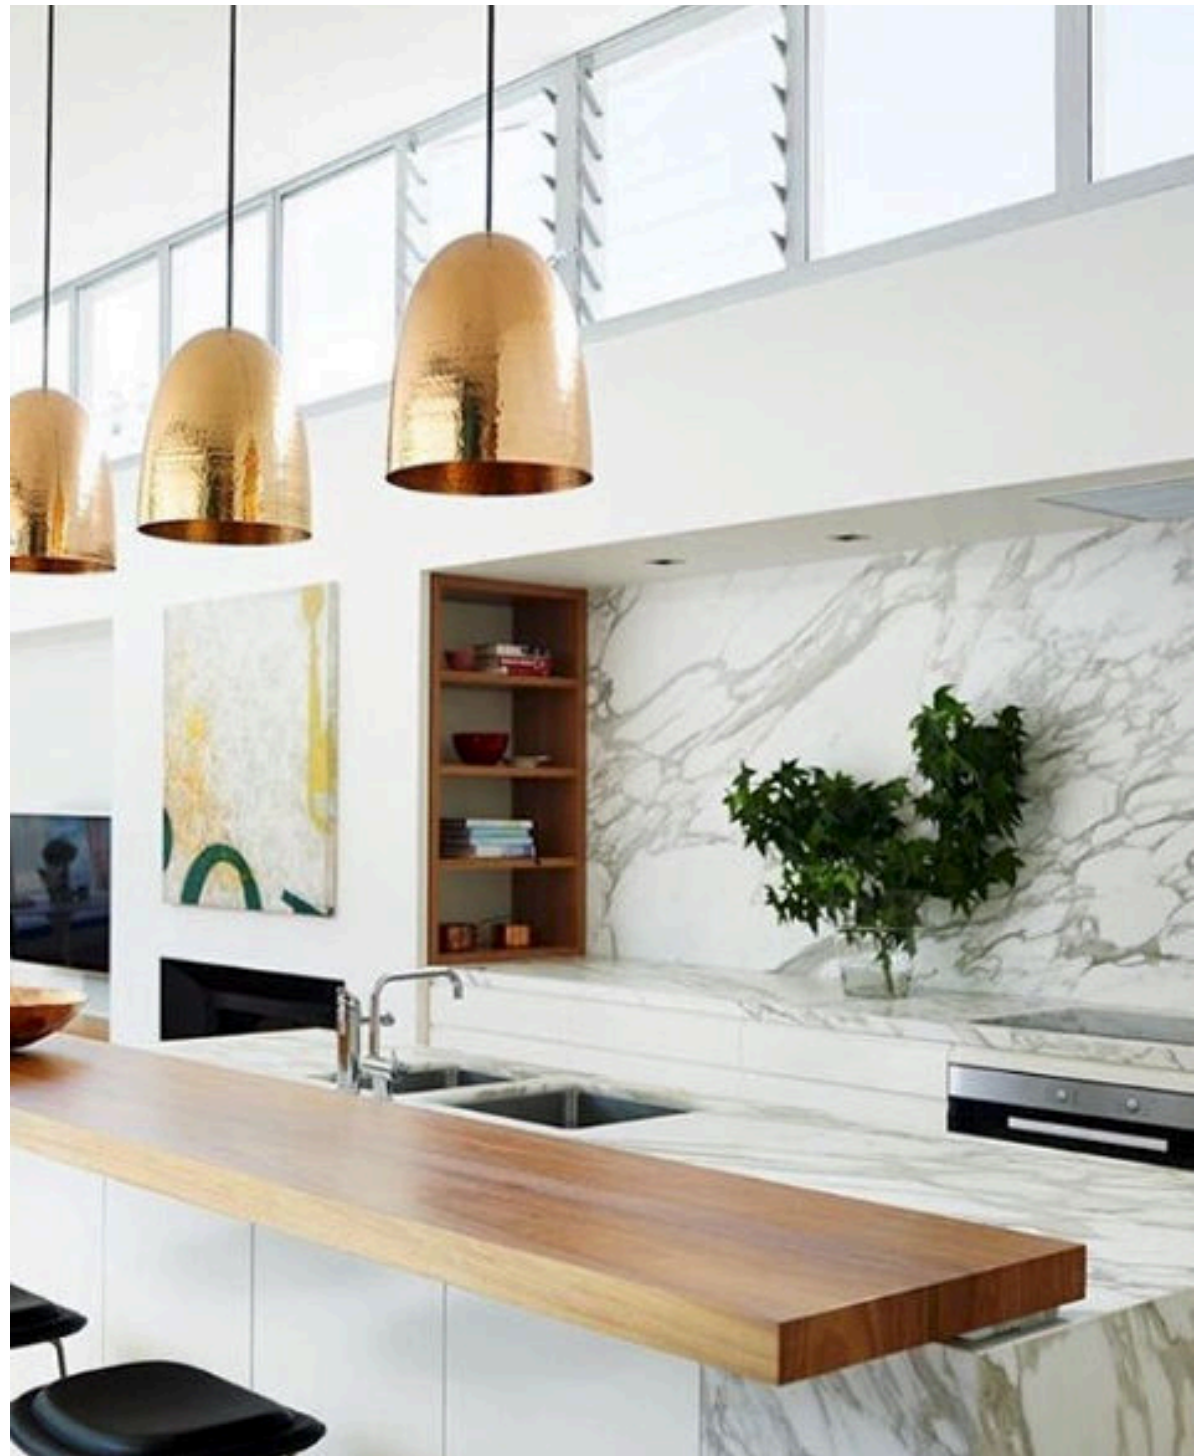

WWW.KORUBUILDINGCONTRACTORS.COM.AU

RENOVATING OR BUILDING A KITCHEN?

Koru can help you design, build and style your new kitchen to suit your budget and lifestyle.

We are here to help you create the heart of your home, one that is well-designed, functional and stylish.

Please enjoy our selection of the very best in kitchen trends, ideas & inspiration to get the creative process started.

1

Get in touch with us

Phone us, email or pop into our office for an informal discussion about your bathroom project.

2

Design

Our Design. Your Design. Custom Design. We will work with you to establish your design criteria and identify a project budget.

3

Preliminary Agreement

We may ask you to sign a Preliminary Agreement before the Building Contract is signed setting out any preliminary costs.

4

Preliminary Design & Estimate

We will provide you with an estimate for your project based on the preliminary design.

5

Selections

Once you are happy with your design, we will meet with you to finalise the detailed specifications, selections and inclusions list.

6

Contract & Deposit

Once you have accepted our quote, we will ask you to sign an HIA Building Contract and pay the deposit.

7

Building Approval

If required, we will submit the design for Council approval which will generally take 2 weeks.

10

steps to design & build

At Koru Building Contractors we're with you every step of the way during the building process. We'll guide you, answer your questions and keep you informed of the progress of your bathroom project.

We understand how excited you feel at the prospect of starting your own building journey, and we look forward to being your builders of choice. It really is easy with our 10 Steps to Design & Build.

enjoy

10

Ongoing Support

We provide a 12 month defects period and your QBCC Home Warranty Insurance provides a Structural Warranty for 6 years 6 months.

9

Handover

Once the building process has been completed, we will meet with you onsite for a handover meeting.

8

Let's Build

Construction will start and we will give you access to our online project management system where we will keep you up to date.
